This month's book will be *Exiles* by Jane Harper.

Summary: Federal Investigator Aaron Falk is on his way to a small town deep in Southern Australian

wine country for the christening of an old friend's baby. But mystery follows him, even on vacation.

This weekend marks the one-year anniversary of Kim Gillespie's disappearance. One year ago, at a busy town festival on a warm spring night, Kim safely tucked her sleeping baby into her stroller, then vanished into the crowd. No one has seen her since. When Kim's older daughter makes a plea for anyone with information about her missing mom to come forward, Falk and his old buddy Raco can't leave the case alone.

As Falk soaks up life in the lush valley, he is welcomed into the tight-knit circle of Kim's friends and loved ones. But the group may be more fractured than it seems. Between Falk's closest friend, the missing mother, and a woman he's drawn to, dark questions linger as long-ago truths begin to emerge. What would make a mother abandon her child? What happened to Kim Gillespie?

Ready! Set! Read!

March is National Reading Month, and in conjunction with that, the library is promoting reading AND asking you to help support the library in a fun way.

Books are great sources of information, enjoyment and escape so what better way to help the library than to participate in our Read-a-Thon! The Read-a-Thon kicks off March 1st and runs through March 30th.

Prizes will be given in Children's, Teen and Adult categories for most books read and most money raised. It's easy to participate—simply get a packet from the front desk or Kent Room and keep track of how many books you read during the Read-a-Thon. Ask family members, friends and colleagues to support you by pledging to donate a certain amount for each book you read. The amount is up to them. All participants will receive commemorative buttons and will also be entered into our random prize drawing. The prizes for winners in each category are posted at the

library. So grab a snack, curl up with your favorite books, and get reading!

Did you know that the library has passes to some of the areas most amazing museums, and that you can use these passes for free? It's true; we do! These passes are your ticket to incredible learning, cultural, historical and scientific experiences, as well as lots of fun! We have passes for the **Children's Museum of Maine**, the **Children's Museum of New Hampshire**, the **Portland Museum of Art**, the **New England Aquarium**, the **Boston Museum of Science**, the **Boston Museum of Fine Arts**, **Strawbery Banke** and the **Seacoast Science Center**. You can reserve these passes at the front desk. Start exploring today!

Chocolate Sale a Sweet Success!

Thank you to all who helped make our Decadent Chocolate Affair a sweet success. From those who baked to those who bought, we really appreciate the support! The sale raised nearly \$500 and only crumbs were left!

Handy Help

The library has a number of small "handyman" tasks that need doing. If you run a repair business, are handy or know someone who could help, please speak to the director. We are hoping to get some of these minor services donated. If you wish to help support some of the bigger maintenance needs, please see the director about ways you can donate financially to this cause.

The books nominated for both the Maine Student Book Award and the Chickadee Award are available right now in the library, along with ballots so that you can participate in the

voting!

MSBA books are suggested for readers in grades 4-8, and the voting ends on April 1st.

Chickadee books are suggested for readers in grades K-4, and the voting ends on March 29th.

Green & Beautiful to Be Unveiled

The plans for the Green & Beautiful transformation of the library grounds will soon be unveiled. We hope to have an evening presentation whereby we can introduce these gorgeous designs and provide information as to their purpose and benefits. There will also be many ways for individuals and the community to participate. Our thanks to all who have been involved in getting us to this stage, including: Barbara Longstaff, Mary Dennett, Sarah Mackel, Polly Warner, Chris Roux, Fred McMullen and Dan Rawling. Your input and expertise, not to mention hands-on efforts, have been greatly appreciated. Please watch our website, social media and library postings for our G&B date.
